

Fleet Breakdown / Repair Numbers

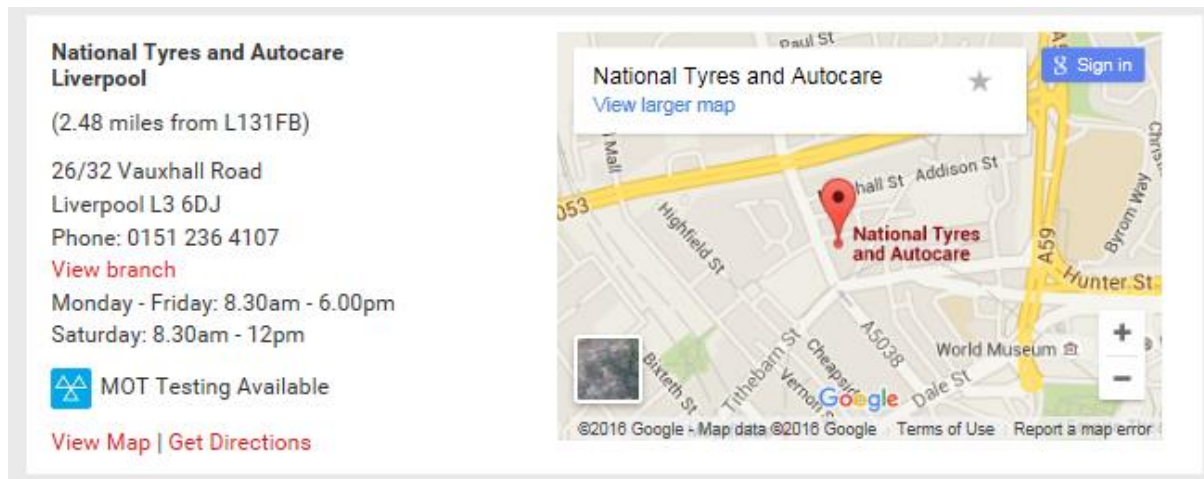

Main Break Down Contract with Autoserve - 0844 888 3001

Have maintenance contract for cars - Autoserve is the contact if the cars breakdown / National Tyres – Tyre issues (Flat, Egg etc.)

At the weekend the calls divert to national tyres (via the number above) but they should take the call on autoserve's behalf and call the breakdown service.

If you have any problems – they have contact numbers for staff in autoserve – please ask them to contact one of the contacts who will be able to confirm that this is the correct process to follow.

FYI - This is the main National Tyres centre we use.
